We invite Minnesota bridge players and friends to join us for an exciting, week-long Caribbean bridge cruise in April 2025, as we sail aboard the beautiful, 5.5-star Celebrity Equinox. We offer deep discounts, with up to 82% off the brochure fares.

But there is a catch: In order to take advantage of this special offer, at least 12 cabins must be booked and the reduced pricing will only be available for a short time.

We will offer daily duplicate bridge games in a segregated private area. The games will be ACBL sanctioned and Master Points awarded. An additional contribution will be levied (not to exceed \$200 per player) to cover the cost of the sanction, ACBL director, equipment and enhanced internet.

This is a great opportunity to relax and bathe in luxury as you explore the beautiful Caribbean. But you must act quickly to take advantage of this amazing offer.
